GUIs

RACCON
Mathias

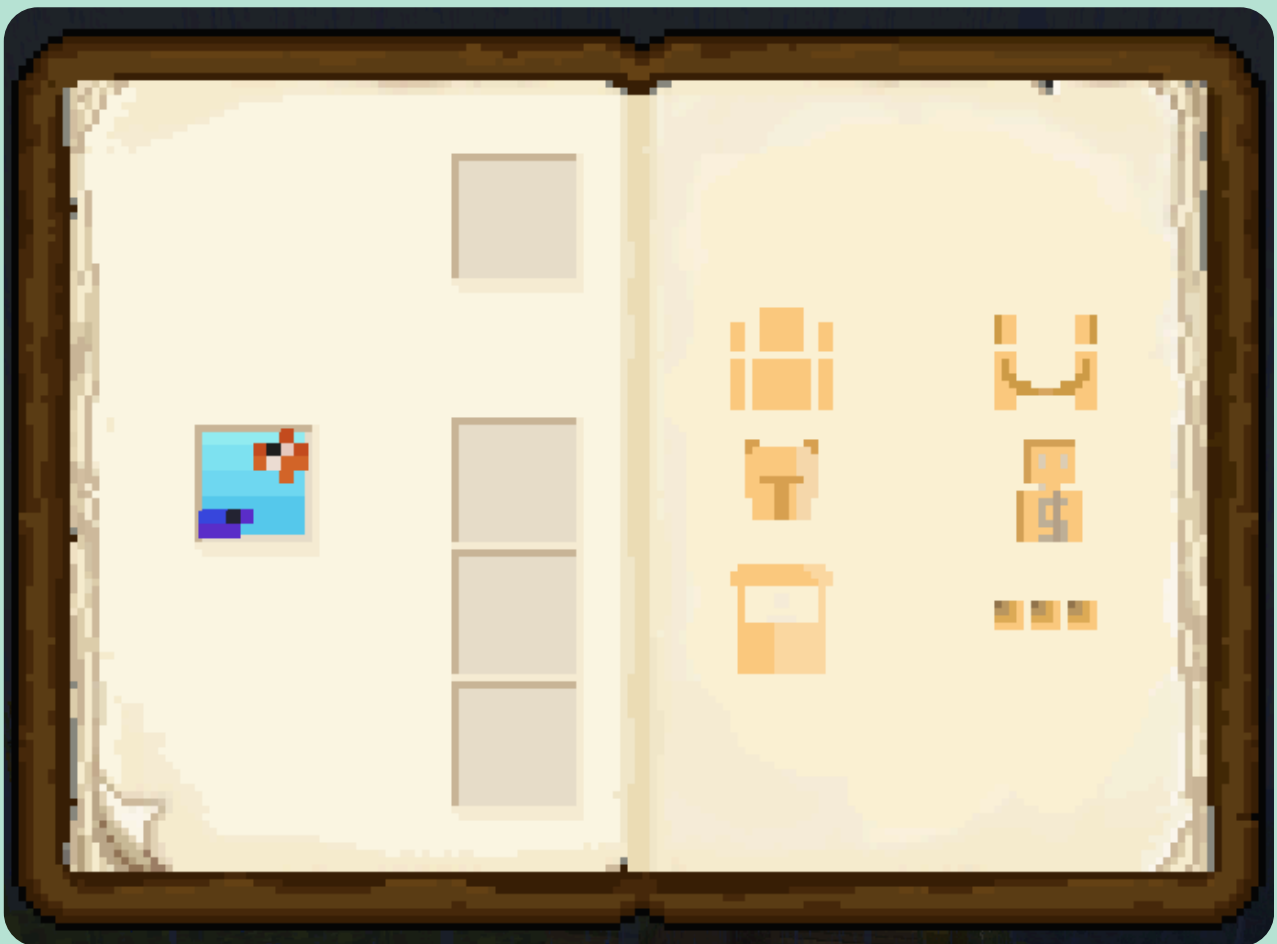

Font-based icons configured by me using
default.json in resource pack

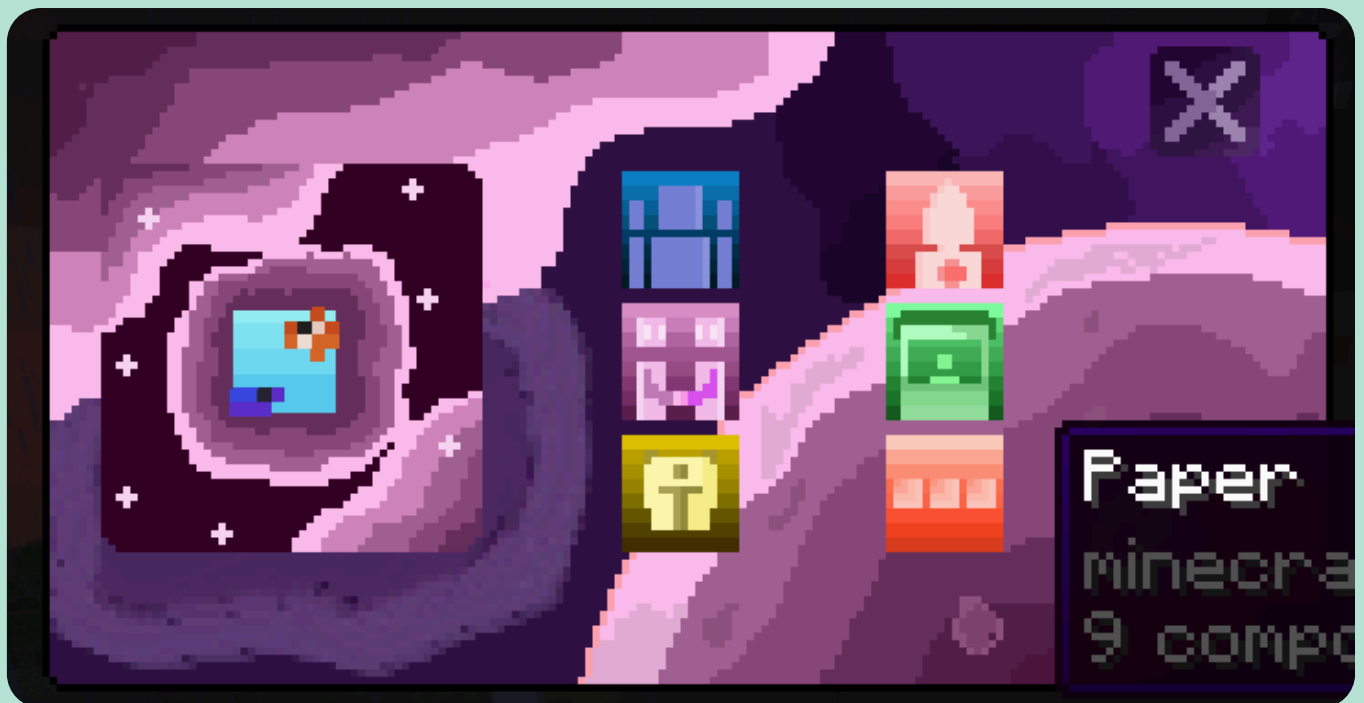

Font-based rank icons configured by me

/profile GUI
(texture and setup by me)

Space themed /profile GUI
(texture and setup by me)

/friends GUI
(texture and setup by me)

/example GUI
(texture and setup by me)
for my example resourcepack:
[https://modrinth.com/resourcepack/
allinonepack](https://modrinth.com/resourcepack/allinonepack)

All of the GUIs were designed by me, and I especially enjoy setting them up. For functionality, I typically use the plugin Skript, but I'm open to working with any other tools or systems that Origin Realms uses.
